

## REMARKS

Claims 1-55 are pending in this application. Claims 11 through 55 have been withdrawn from consideration. Claims 1-10 stand allowed.

The drawings stand objected to because the reference designators 564 and 566 are not depicted therein. Applicants have amended the written description herein to delete reference designators 564 and 566 therefrom, thereby harmonizing the written description and the drawings.

The Abstract stands objected to because it exceeds one paragraph. Applicants have amended the Abstract herein to comprise one paragraph.

No new matter has been entered. Reexamination and reconsideration of the application, as amended, is respectfully requested.

Having dealt with all of the outstanding objections, Applicants submit that the application as amended is in condition for allowance, and an allowance at an early date is respectfully solicited. In the event there are any fee deficiencies or additional fees are payable, please charge them, or credit an overpayment, to our Deposit Account No. 502262.

Respectfully submitted,
